Delta Solutions & Technologies Awarded \$450 Million BPA from DOI's National Business Center for Momentum Implementation and Operations & Maintenance Services

Herndon, VA/ Denver, CO (February 1, 2009) – Delta Solutions & Technologies, Inc., a Virginia-based management and technology consulting firm, was awarded a \$450 million Blanket Purchase Agreement (BPA) contract by the U.S. Department of the Interior's (DOI) National Business Center (NBC) for both Implementation and Operations & Maintenance (O&M) services. Delta Solutions has been selected for a role that will be critical to the successful implementation and O&M of Momentum Financials software by supporting the NBC's Financial Management Line of Business (FMLoB) over the next five years. The contract was awarded with confidence in Delta Solutions' expertise in Federal financial practices and success in prior work supporting all of the NBC's current Momentum customers.

"The NBC has been a partner with Delta Solutions since 2001," said Jeff Elms, President and CEO, Delta Solutions. "We share the NBC's commitment to and understanding of our shared clients' business practices and financial management operational needs. We are pleased that the NBC has once again decided to extend our long existing partnership and I look forward to many more years of supporting the NBC."

Delta Solutions will support the NBC has with its ongoing need for an industry partner to assist in providing support to its current and potential client agencies of the Momentum Enterprise Solution financial accounting system. The NBC currently supports small (less than 1,000 employees) and medium (1,000 to 5,000 employees) Federal agencies with Momentum and other enterprise support systems. Future client agencies will include large agencies (over 5,000 employees).

The combined knowledge of the Delta Solutions team, which includes teaming partners tSymmetry and Paradigm Solutions, will provide deep functional and technical expertise and will provide the NBC with comprehensive Momentum support services of the highest quality. This team brings forth an unmatched understanding of the NBC's policies and procedures, expertise in legacy systems used across the Federal government, and a proven track record supporting Federal Shared Service Providers (SSPs).
